SIR,

Subject : Recovery of the instalments on the model houses and allotment of the remaining houses in Adijambava Block, Jalapuri, Mysore.

In continuation of this office letter of even No. dated 6-5-54 on the above subject, I write to state that no applications have been received from persons belonging to the Depressed Class for allotment of the houses in Jalapuri. Some of the allottees have not executed the required agreement and have taken possession of the houses. Many of the allottees who have taken possession are not paying the instalments inspite of notices issued. They have been issued notices again to pay the balance of over due instalments within 15 days failing which they will be evicted. The President, City Municipal Council has requested to allot 15 houses to the Municipality for being used as quarters for the Depressed class employees of the Health Section. The Chief Minister during his inspections on 20-7-1954 was pleased to order to hand over the remaining houses to the City Municipali Council at their cost price. The Board has in resolution No.140 dated 28-7-1954 resolved that the vacant model houses may be handed over to the City Municipal Council, Mysore, at their cost price. (copy enclosed). I request you kindly to obtain and communicate orders of Government approving of the Board's resolution and of handing over the buildings as per Chief Minister's orders and notes of inspection. The amount thus realised can be more usefully spent for building more model houses at Asokapura where the demand for houses is great and where space to build is also readily available.

Yours faithfully,

S.Linganna.

(Through the President).

Sir,

Subject:- Purchase of 16 Model Houses at Jalapuri built by the Trust Board.

A set of 16 model houses were recently built by Trust Board in Jalapuri for being allotted to persons of depressed classes. The houses are lying vacant. A reference is said to have been made by the Chairman to Government to dispose of them to intending purchasers. On an inspection of these houses, it was felt that these could be purchased by the Municipality for housing some sweepers.

A proposal was therefore placed before the Council to purchase these houses at a cost of Rs. 1800/- each.

The spot was inspected by the Chief Minister during the inspection of this city on 20-7-54. After the position was explained he was pleased to observe that instead of selling them to others, they might be sold to the Municipal Council.

I enclose a copy of the resolution and request that orders of Government may kindly be obtained for the purchase of these 16 houses at a cost of Rs. 28,800/- out of the provision of Rs. 30000/- made under E2.C4. of the Current year.

Yours faithfully,

(N. Lakshman Rau).
Municipal Commissioner

Forwarded with compliments,
